

PALESTINIAN CONFERENCE

$$\nabla_x \cdot \rho \nabla_x \phi = \int_{\partial\Omega} \Psi \cdot \hat{n} dS$$

**on Modern Trends in
Mathematics and Physics**

Palestinian Conference on Modern Trends in Mathematics and Physics-III

The conference invites researchers and scientists in the fields of theoretical, applied, computational, and industrial mathematics and physics to submit their original research. We highly encourage Palestinian graduate students to participate in this multi-national conference. Accommodations will be provided by the conference in the cities of Hebron and Bethlehem. In addition to the technical program, the conference will include social entertainment events and local tours.

Location

Palestine Polytechnic University

Hebron, Palestine

<http://www.ppu.edu>

Important Dates

Submission Date	March. 15, 2012
Notification of Acceptance	April 15, 2012
Registration	April 30, 2012
Conference Dates	July 16-18, 2012
